CASE NO. 1:23-cv-01341

ORDER

[Resolving Doc. 14]

JAMES S. GWIN, UNITED STATES DISTRICT COURT JUDGE:

On September 12, 2023, the Court granted Plaintiff Legacy Roofing Services LLC's motion for expedited discovery to support its preliminary injunction motion.<sup>1</sup> Now, Defendants seek expedited discovery to defend themselves against the preliminary injunction motion.<sup>2</sup> Having already permitted Plaintiff to take discovery, the Court **GRANTS** Defendants' motion so that Defendants can develop a complete defense.

Defendants may serve the proposed discovery that they attached to their motion for expedited discovery<sup>3</sup> and may take one 30(b)(6) deposition. Plaintiff shall serve responses and objections on Defendants by **October 2, 2023**. Other than the deadline for Plaintiff's responses, the same deadlines and conditions that the Court outlined in its September 12 order will apply to Defendants' discovery.
